## PAHOKEE JUNIOR HIGH SCHOOL NEWS

Last Saturday afternoon the boys and girls basketball teams played the St. Johns boys and girls. The teams were both named. The girls' score was 9 to 5, the boys' was 18 to 2.

The Boys' Outdoor Club has also subscribed to five magazines pertaining to outdoor life.

At the last meeting of the Pahokee Women's Club a short program was given by the fifth and sixth grade pupils under the direction of their teacher, Mrs. Lutz. Mr. Laneford gave a brief talk at the meeting.

Tuesday morning a series of educational films were at the school auditorium. One share of the proceeds was \$8.50. This will be added to the library fund.

All the windows in the building have been fitted with adjustable shades. They have proven to be much better than the kind formerly used.

The electrician has recently completed the repair work on our lighting system which was made necessary by the storm.

The Red Cross has sent out two beautiful pictures of the school. One is "Feeding Her Birds," the other "The Horse Fair."

Children are spending all their extra time lately in completing their work for the school exhibit.

The school will hold its next meeting Tuesday night in the school building. The county fair will meet Tuesday night in the school building.

The P. T. A. had a lively, spirited meeting Tuesday night in the school building. These meetings would prove of interest to all the parents in the school.

Work was done in the school building. The school will hold its next meeting Tuesday night in the school building.

## LETTERS FROM READERS

"Enclosed find money order for renewal of subscription to your dandy paper. I failed to get a copy of the last issue; please mail me one."—E. W. Schmittgen, Box 387, Chicago, Ill.

"Just a few lines to let you know I think it about time for me to pay again for your valuable paper, which I read, cheerfully every issue. I was right in the worst of the storm we had here in St. Louis years ago but the one here was quickly met, not like the one you had there that lasted for hours. And the one you had was much worse on account of the water from Lake Okechobee rolling over the whole country. I hope that the U. S. government will take hold of yours, a charter subscriber."—Adolph Hartman, 412 McPherson Ave., St. Louis, Mo.

"Enclosed find check to cover renewal of subscription. On this occasion allow me to congratulate you on your election; although I am a Republican I would have voted for you if I had been a voter in Florida. We hope you will keep up the good work and steer the time when we are able to settle on our land and benefit on our investment before the time expires of physical existence."—Chas. W. Schaeffer, 69 West Delaware Place, Chicago, Ill.

I am sending herewith my check for \$2.50 to advance my subscription. I have no personal interest in the Everglades but I admire the work of the editor in overcoming obstacles, being a former member of the U. S. House of Representatives, I feel I need the weekly visit of your paper to keep posted on Glades affairs. With best wishes for your continued success."—Eleanor Bridge, 265 Fiddling Ave., Tampa, Fla.
